

## TOURNAMENT OPERATIONS & SAFETY PROCEDURES

### Arriving on Site

1. Enter the compound no earlier than 30 minutes before your scheduled match time
2. Players arriving too early will be asked to wait off site in their car
3. A Player may be accompanied by only one chaperone
4. Masks must be worn at all time on the compound other than when playing
5. When you arrive on the compound you must:
  - a. Wash hands with soap at the sink provided, then
  - b. Go to the screening point where temperature checks and contact tracing information is documented, then
  - c. Proceed to the Referee's/tournament desk to report for your match and to obtain your personal match balls
  - d. You will be directed to the waiting area where you will remain until your match is called
6. A designated Officer will be onsite to ensure that COVID-19 safety guidelines are being observed.

***These procedures serve to supplement the TennisTT's COVID-19 Return to Tennis Safety Guidelines which is available on our website [www.tennistt.info](http://www.tennistt.info) and the guidelines as stipulated by the T&T Ministry of Health.***
