TOURNAMENT OPERATIONS & SAFETY PROCEDURES

When your match is called

1. With your masks on, proceed to your assigned court with your equipment and hydration beverages and your personal match balls
2. Secure belongings safely at your seating station on the court
3. Await the arrival of the Court Monitor who will give further instructions and conduct the toss
4. Remove your mask and secure safely in your tennis bag
5. Sanitize hands and canister containing balls
6. Open Canister of balls and begin match
7. When you are serving:
 - a. Use only the 3 balls from your canister
 - b. Ensure that you are in possession of all 3 personal match balls before serving each point
8. When your opponent is serving:
 - a. Store your tennis balls in its canister and place at your seating station
 - b. Do not touch your opponent's tennis balls with your hands
 - c. Pass your opponent's tennis balls to them using your racquet or feet
9. Sanitize hands on every change-over and after changing score cards
 - a. Sanitizers will be available on each court
10. At the end of the match touch racquets with your opponent instead of shaking hands
11. Replace your tennis balls into its canister
12. Sanitize hands and put on mask before leaving your seating station on court
13. Promptly remove all of your belongs from your seating station and vacate the court
14. Report your scores to the Referee/Tournament Desk
15. Return canister of balls to Referee/Tournament Desk
16. Vacate the compound immediately

These procedures serve to supplement the TennisTT's COVID-19 Return to Tennis Safety Guidelines which is available on our website www.tennistt.info and the guidelines as stipulated by the T&T Ministry of Health.
